

2nd Annual Mandatory Registration Day!

Tuesday, August 28, 2007

Northview Campus between 3:00 - 6:30 p.m.

Please arrive at the **FRONT** entrance and stop by the registration table. Proceed to the gym with your children and all of your necessary registration paperwork. Please have your paperwork and checks completed ahead of time. Lifetouch School Portraits will photograph each student on Registration Day. Volunteer Stations will be all set for you to sign up for lunch duty and other school events. Consult your green volunteer folder for specific opportunities that will be available. Middle school students will receive a class schedule.

Registration Day Reminders: Children must stay with parents at ALL times. Students may NOT be left in the classroom while the parent continues through the registration line.

Classroom Visit

BEFORE entering the registration line, student backpacks and supplies must be unloaded in the classrooms. Failure to do this will result in very crowded conditions in the gym.

If you ordered school supplies through the school store, pick up your supplies in your child's classroom **AFTER** registering so that you can take the supplies home and label them with your child's name.

Locker Information

4th – 5th grade students will find their name on their assigned locker.

6th – 8th grade students will find their locker assignment on the outside of their homeroom door.

Appropriate decorations may be placed on the **IN-SIDE** of the locker only.

Tape may **NOT** be used. Magnets are permitted.

Special Middle School Info

The *Middle School Open House* will begin promptly at 7:00 p.m. and last until 8:15 p.m. This is primarily an opportunity for middle school parents to meet teachers and become familiar with their student's schedule.

Middle school families are encouraged to drop off supplies at the middle school from 3:30 – 6:00 p.m.

Don't Forget to Bring these Forms with You to Registration Day!

- | | | |
